

**Qwik Jon®**

# SUPREME

50 Hz

**Making bathroom installations easy!**

## Features and Benefits:

- A quiet, preassembled grinder pump system requiring minimal space for installation!
- Install a complete bathroom without breaking concrete!
- Easily connects to a tub, shower, sink, or other fixtures with 2" NPT or 1-1/2" (DN25) slip side inlets
- No gravity drain required
- Install as a freestanding unit
- Carbon/Ceramic mechanical shaft seal for long life
- Upper and lower ball bearings for efficient and quiet operation
- Non-clogging vortex impeller for reliable operation
- Ingress protection rating: IP68 so it is able to withstand long periods of immersion if installed in areas prone to flooding
- Recessed side handles for carrying
- Thermal overload protection prevents the motor from overheating extending the life of the motor
- The external piggyback float is convenient for maintenance and inspection.
- Side inlet with built-in check valve
- 1" Discharge elbow with built-in check valve
- Tri-Slice® Cutter Technology - three independent cutting channels provide over 250,000 cuts per minute
- Premium investment-cast 440C stainless steel cutter and cutter plate
- Standard 6' (1.8 m) cord with right angle plug
